## PRICE SCHEDULE

EGL USA Gemological Laboratory is independently owned and operated, and evaluates diamonds and gemstones exclusively in North America.

*For more than four decades, EGL USA has provided superior science and service — cutting-edge research, state-of-the-art testing, client and consumer education, and comprehensive gem identification and evaluation reports.*

**Full Reports** are comprehensive final findings and diagrams/photos, (typically 8.5" x 11").

**Mini Plot Reports** are key final findings, often with basic diagrams/photos, (typically 4" x 3.25").

**Mini Reports** are basic summaries, usually with photos, on laminated passport, credit card, or key fob sized cards.

**Preliminary Results** are summary charts (text only) of initial findings, designed to help customers determine their ultimate report needs.

## To submit an item:

**Open an account** prior to submitting item(s).

**Prepare a complete EGL USA Submission Form** (or similar document including all form data).

**Securely pack item(s) and form.**

**Ship with insurance**, via a trusted shipping service **or deliver** via a representative with photo id.

*For additional information, including account applications and submission forms, go to [www.eglusa.com](http://www.eglusa.com).*

## Pricing Policies

**Per-carat pricing** is price multiplied by exact carat weight.

**Preliminary results** fees are waived when the original customer orders a report for the same stone within six months. Preliminary results are retained for a maximum of two years.

**Fees** are incurred in full, regardless of outcome, once work begins. Full payment is due upon completion of work or customer pickup, whichever comes first. Pickup requires a receipt, or payment of an additional \$25 processing fee.

*Please note: Services are provided at the discretion of EGL USA. Not all services are available for all stones. Some lab services are available only at EGL USA in New York.*

UNIVERSAL GEMOLOGICAL SERVICES®

Universal Gemological Services (UGS) provides expert, independent appraisal reports for loose polished diamonds, colored diamonds, colored gemstones, and jewelry.

UGS report prices are the same as for comparably detailed EGL USA reports.
